

5th/6th

Glencoe Website Directions

Dear Parents and Students,

Below you will find the directions to reach the Glencoe web site for our new math adoption. You will find helpful information at this site such as the personal tutor, vocabulary games, practice tests and quizzes. Please feel free to investigate any areas of this web site to further assist your child in mathematics.

Go to: www.glencoe.com

Choose a state: Arizona
Select: Student/Parent
Select subject: Mathematics (then hit ENTER)
Select: Math Connects: Concepts, Skills & Problem Solving
Select: Course 1 (6th Grade) Course 2 (7th Grade) Course 3 (8th)
Select: Student/Parent (then hit ENTER)

In the left-hand column (highlighted in blue) under "Lesson Resources" select "Personal Tutor". Then select the lesson that the student needs help with, such as 4.2 or 4.4, etc. There will usually be several examples to pick from where the personal tutor will show students how to work out the select problems.

Students may also pick "Chapter Test" to practice for a test or the "Vocabulary Review" to brush up on the vocabulary for the chapter that we are currently working on.

Extra workbook pages and practice pages are also available on this site. Please feel free to explore the site and use it as an extra resource for your child.

Students will also have access to an on-line text book. This way, now matter where they are, they will be able to view their textbook online. The code to reach this textbook will be provided within the next few weeks.

Go to: www.glencoe.com/ose/ and enter the code given below:

(5th) Course 1 Text Book Code B2D9CC9BAC
(6th) Course 2 AEE21DCB9D
